If you're a new customer you should receive your requested TSB Visa debit card within five days of opening your account, and your PIN a few days later. You'll then be able to withdraw cash from your account using your debit card, and use your card to make payments in shops, online or over the phone.

If you're an existing customer moving from a Student to Graduate account, you can continue using your existing Visa debit card, your account number and sort code will not change. We recommend you register for two of our smart ways to manage your money – telephone banking and internet banking – as well as setting up mobile banking.

If you ask us to, we'll contact you about our range of other banking services such as mortgages, loans, insurance and savings.

If you need any help, you can call us or visit any TSB branch. We're here to help you.

Smart ways to manage your account

Your Graduate account comes with lots of smart ways to help you stay in control of your money. Whether it's keeping a closer eye on your balance, or making payments on the move, we give you all you need to stay on top of your finances.

You'll need to register for services such as internet banking and telephone banking. Once you've registered for internet banking, you can log on from your mobile. You can also download our mobile app.

We'll register you for some helpful text alerts when you open your Graduate account or whenever you provide us with a mobile number. You can also choose to register for other text alerts to help you manage your money. More information about all our text alerts can be found on pages 6 and 7.

Using your TSB Visa debit card.

You don't always want to carry cash when you're out shopping or meeting up with friends. Instead, you can use your TSB Visa debit card to pay directly from your account.

You can use your TSB Visa debit card:

- In shops, online or over the phone.
- Withdraw up to £500 a day from any UK TSB cash machine free of charge and non-TSB cash machine (TSB does not make a charge but the owner of the machine may).
- £50 cash back free of charge in most supermarkets.
- Abroad. If you make a debit card payment in a foreign currency or use your card to make a cash withdrawal in foreign currency then charges may apply. For details please see the Banking Charges Guide or visit tsb.co.uk/banking-charges-guide

A smart way to buy things

Now you can make everyday payments with your TSB Visa debit cards by using Apple Pay, Google Pay™ or Samsung Pay™. These are simple and secure ways to make contactless or in app payments with your smartphone.

Find out more by visiting tsb.co.uk/apple-pay, tsb.co.uk/google-pay or tsb.co.uk/samsung-pay

  **SAMSUNG Pay**

A safe way to pay

When you use your card online we may carry out additional security checks. If you have the TSB Mobile Banking App, you'll normally be asked to approve the payment in the app. If you don't have the app, or sometimes if the app isn't available, we'll ask you to validate your payment using a one-time password (OTP) sent to your mobile or UK landline. Please make sure your phone numbers are up to date or you may not be able to make a payment online.

And to be extra secure...

It's in all our interests to help combat fraud, so as an additional layer of security when you approve your purchase using a one-time password, you'll also be asked for your email address at the point of purchase.

We won't store your email, instead we'll use biometric data analysis when you type in your one-time password and email as it recognises the unique way you type. So should anyone else try to use your debit or credit card to make an online purchase we'll be alerted to it because of the way they enter your details.

Things to remember

When you use your TSB Visa debit card, some transactions are 'earmarked'. This means that the amount of the transaction is reserved until the money leaves your account. So you won't be able to use the money for anything else, even though it's still shown in your account.

You may wish to set up regular payments to come from your TSB Visa debit card with a company (known as 'recurring transactions'). If you want to cancel these payments in the future you can tell us that you no longer consent to these payments and we will stop the payments. To cancel the next payment due to be made you do need to let us know before the end of the last working day before the payment is due to be made. You should also contact the person who you make the payment to so that they do not keep trying to take the payment and so that you can cancel the agreement which you have with them as we can't do that for you.

Keeping track of your money.

There are many ways to stay in touch with your money whether you're at home or on the go.

Statements

- You will have access to regular statements that will show every transaction you make.
- You can also print a mini statement from selected cash machines showing the seven latest transactions on your account.
- It's quick and simple to print or download your statements with our internet banking service.
- Log onto internet banking if you want to go paperless and switch off paper statements. You can always switch back on again if you change your mind.

Check your balance

- You can check your up-to-date balance at cash machines, online through internet banking (if registered) at **tsb.co.uk** over the phone by calling telephone banking on **03459 758 758** or in branch.

Text message services

Our range of text alerts is a great way to stay up-to-date with your account. Text alerts help you to manage your account, make sure you have enough money to make any payments, and to avoid charges such as unarranged overdraft fees.

When you open a Graduate account or give us a valid UK mobile number, you'll automatically be registered for certain text alerts. These include:

- An Arranged Overdraft alert when you go into an Arranged overdraft.
- A Near Limit Alert when you have £50 or less available to spend in your account.
- An Over Limit Alert when you are over your account limit or when you do not have enough money to make a payment.

You can also register for our other text alerts to help you keep better track of your money wherever you are, such as:

- High and Low Balance Alerts when your balance goes above or below limits you set.
- Daily or Weekly Balance Alerts for your account balance, including details of your six most recent transactions.
- Overseas Transaction Alerts when your debit card is used abroad.

How do I customise text alerts?

You can change, pause or cancel your alerts whenever you want. For instance, you might be heading overseas and want to avoid being charged by your mobile operator for receiving texts.

You can do this by logging on to internet banking and clicking on Text Alerts on the right hand side under 'Your account tools'. From there you get the option to change or cancel your text alerts. You can also call us on **03459 758 758**, or visit us in branch.

Text alerts (other than Weekly Balance Alerts and Overseas Transaction Alerts) are sent before 10am UK time 7 days a week.

To register for telephone banking, call us on **03459 758 758** and ask to be sent a 6 digit Security Number in the post, or call into your local branch. Please have your account number and sort code to hand as you will need this information to register.

Please be aware, although you can use internet, telephone and mobile banking to give us instructions 24 hours a day, 7 days a week, some instructions, such as those given after 10pm or at weekends, cannot be processed until the next working day. Not all telephone banking services are available 24 hours a day, 7 days a week.

Interest-free Arranged Overdraft

Money can be tight in the first few years after you graduate – especially if you have to repay your student loan and sort out somewhere to live. One way we can help ease the financial pressure is to offer you an interest-free Arranged Overdraft of up to £2,000 (subject to application and approval).

How does my overdraft compare?

A good way to compare the cost of our overdraft with other overdrafts or other ways of borrowing is to look at the APR. The APR shows the cost of borrowing over a year. Our representative APR is 0% variable. This is based on an assumed Arranged Overdraft of £1,200 that has an interest-free limit applied to the whole overdraft.

Graduate Arranged Overdrafts

- You can apply for an interest free Arranged Overdraft (subject to application and approval) of up to £2,000.
- At the end of the the three years after graduation, you'll move to one of our standard accounts, the interest free amount for that account will apply, where there is one.
- Don't worry, we'll write to you at least 60 days before the interest free amount is due to change on your account to remind you about this.

Grace period

Our grace period means that you have until 10pm (UK time) to pay enough money into your account to avoid any overdraft interest that we may charge that day. The money needs to be immediately available to use, so you could transfer money from another account you have with us by mobile banking, internet banking, telephone banking, paying in cash over the counter in branch or transferring the money from another provider.

Avoid missing payments with our retry periods

Our retry periods mean that if you don't have enough money in your account to allow us to pay Direct Debits, cheques, standing orders and future dated payments, we'll give you extra time to put money into your account to allow us to make these payments. For Direct Debits and cheques, we'll try to take the payment:

- shortly after midnight on the due date or next working day.
- again after 2.30pm that same day.

For standing orders and future dated payments, we'll also try a third time shortly after midnight the next working day after we first tried to make the payment.

The money needs to be immediately available to use, so you could transfer money from another account you have with us by mobile banking, internet banking, telephone banking or by paying in cash over the counter in branch.

To apply for an overdraft or increase your existing Arranged Overdraft call Telephone Banking on **03459 758 758**, or visit any TSB branch. If you go overdrawn unexpectedly, we may agree to cover your payments with an Unarranged Overdraft.

You can find our current interest rates in branches, online at **tsb.co.uk** or by calling Telephone Banking on **03459 758 758**. Overdrafts are subject to status and repayable on demand. Must be aged 18+ and a UK only resident. How much we lend depends upon our assessment of your circumstances.

Please remember, if you don't have enough money in your account to pay a standing order three times in a row, we'll cancel it. For example, if you have a monthly standing order and don't have enough money to pay it three months in a row, we'll cancel it after this happens.

Graduate Loan

Things change when you graduate, so as you settle into your new way of life, you might find that you need to budget for a major expense, such as a car, or something to make a new flat feel like home. That's where our Graduate Loan could help.

Important information

Spending abroad options

Save the Pennies

It can be hard to save in the early years after you graduate, but Save the Pennies is a simple everyday way to save for the things you want. You could forget you're even doing it.

- Sign up for Save the Pennies and every time you make a purchase with your TSB Visa debit card, the difference will be rounded up to the nearest pound and transferred into your nominated TSB savings account the next working day. We will only do this if your account is in credit.
- Use your card to buy things big or small, from coffees and sandwiches to your weekly shopping. You'll soon discover that your small change will start to add up.

How to register

All you need is a TSB current account and an eligible TSB Savings account. The following savings accounts are not eligible for Save the Pennies: Monthly Saver, ISA products and fixed products. Save the Pennies does not apply to over the counter cash advances, cash machine withdrawals or fees charged for non-TSB cash machine transactions.

The easiest way to register for Save the Pennies is through our internet banking service at **tsb.co.uk/savethepennies**

Your questions answered

How long do my payments take?

The majority of payments made – other than by cheque and Direct Debit, to a UK bank will be processed using the Faster Payments Service, with payments usually reaching the receiving account within two hours. Payments for larger amounts may take up to a day.

We'll tell you when you ask us to make a payment if the organisation you are sending the payment to is not a member of the Faster Payments Service. If we cannot make the payment using the Faster Payments Service you can contact us on **03459 758 758** or call into your local branch to ask if there is any other method available to make the payment.

For more information about the time it takes to make a payment please see the Personal Banking terms and conditions.

What happens when I pay in a cheque?

You can now use the TSB Mobile Banking App to deposit your cheques. For information about when cheques you either write or pay in will be processed and the money can be accessed, please see the Personal Banking terms and conditions.

If you need to cancel a cheque you've written, please call telephone banking on **03459 758 758** or visit your TSB branch.

What can I do to avoid theft or fraud?

Here are some simple rules to follow so that you're always in control of your money:

- Make sure that your cards and cheque book are safe, but don't keep them together.
 - We recommend you should never write down your PIN. But if you really need to write it down, disguise it so that it's not recognisable as your PIN, and never keep it with any of your cards. Never let anyone else know your PIN.
 - Always sign your cards in ballpoint pen as soon as you receive them.
 - Always be sure that before you give your bank details out that you know who you're giving them to and why they need the information.
 - Make sure that you keep your TSB Visa debit card receipts in a safe place and dispose of them carefully making sure the TSB Visa debit card details cannot be read.
 - Check your statements regularly and get in touch if you see any transactions you don't recognise.
- 

What should I do if my TSB Visa debit card and cheque book are lost or stolen?

You must report any theft or loss as soon as possible so that we can prevent other people from using your account.

You can also report your card lost or stolen within the TSB Mobile Banking App.

Please call any TSB branch or the TSB 24-hour Lost and Stolen Cards service on **0800 015 0030** or **+44 (0)207 481 2567** if calling from abroad.
